

Super Premium Scholarship Announcement

Congratulations to Miss Kamonthip Ongartyuthanakorn who got the Super Premium scholarship to study at Queensland University of Technology, Australia. This scholarship is supported by the Institute for the Promotion of Teaching Science and Technology (IPST). Miss Kamonthip Ongartyuthanakorn has finished the Master of Arts Program in Mathematics Education, International College, Suan Sunandha Rajabhat University (SSRUIC) in 2019. During her studying at the SSRUIC, she got the scholarship under the Promotion of Science and Mathematics Talented Teachers or PSMT project during 2017 and 2019 and presented her thesis entitled “The Effects of Using Infographics on Grade-12 Students’ Mathematics Achievement and Self-confidence”. The SSRUIC feels very proud of her success in studying for professional teaching in mathematics.
