

## Internal Educational Quality Assurance: Mathematics Education Program

Chairman of the Master of Education Program in Mathematics Education (Assoc.Prof. Chaweewan Kaewsaiha), a representative of graduate student (Mr. Bancha Morachat), and a representative of current graduate students (Miss Nutcharun Yanakit) were interviewed by the Higher Education Internal Quality Assurance Committee for the Academic Year 2018. The average score is 3.90, which identified a "Good" quality level, concluded six components (Regulatory Standards, Graduates, Students, Learning and Teaching, Learner's Assessment, and Learning Resources). Mr. Bancha Morachat received an IPST scholarship for studying M.A. (Mathematics Education) at the SSRUIC, during 2014 and 2015. He continued studying at the University of Waikato, New Zealand in 2015 and has been assigned to teach at Debsirin School (English Program). The current graduate student, Miss Nutcharun Yanakit has received an IPST Scholarship for studying M.Ed. (Mathematics Education) at the SSRUIC during 2018 and 2020. Now, she is practicing Mathematics for high school level in a practicum school "Mahaprutaram Girls' School under the Royal Patronage of Her Majesty the Queen".
