

Research Progress Presentation at NIETS

The National Institute of Educational Testing Service (Public Organization): NIETS, has supported extra budget 2019 to the researcher team from the International College, Suan Sunandha Rajabhat University since September 2019. NIET wants to monitor how the research project is progressing, what findings and decisions are being made by the researcher team, and what needs to be improved. Assoc. Prof. Chaweewan Kaewsaiha, Dr. Boonthong Boontawee and Mr. Pongrapee Kaewsaiha provided the progress report and updated on the research project status on November 11, 2019. The research topic on ‘Analysis of O-NET Results to Develop a Massive Online Open Course for Corrections of Misconceptions and Mathematical Errors of Junior High-school Students’ will be uploaded online mathematics lesson on ThaiMOOC Platform in December 2019.
